ClearSounds Emergency Connect Telephone

\$ 329.95

Ideal for the individual that lives alone and is looking for the comfort in knowing that in case of emergency, help is right around the corner.

The Emergency Connect Telephone is an emergency response and amplified telephone, all in one. In the event of an emergency, press the remote control from virtually anywhere in the house and the Emergency Connect Telephone will automatically call your preprogrammed emergency contacts. A pre-recorded message alerts the person who answers the call that an emergency exists. It now enables you to have two-way communication or allows the person to listen in to your situation.

ClearSounds CS-CL600 features:

- 50dB amplification
- Ultra Clear sounds shaping tone control
- Wrist watch style remote control
- Strobe light ring flasher
- Super loud ringer
- Caller ID
- Speakerphone
- Remote audio monitoring
