Ultratec Superprint Pro80

Pro80 - \$999.99

Pro80 LVD - \$1,100.00

Pro80 GOLD - \$1,100.00

Maximize your conversations with the deluxe Superprint Pro80. This state-of-the-art TTY has a built-in, 80-column printer that uses standard-sized (8.5" wide) thermal paper. You'll enjoy typing comfortably on the Superprint Pro80's full-size computer style keyboard. Convenient "one touch" function keys simplify everything from dialing your relay service to calling for help in an emergency. And, for the first time ever in a TTY, Caller ID* capability is included.

Pro80 Upgrade

Choose from 3 different display screens for easiest reading:

The Superprint Pro80 has a 1-line, 32-character display. The Superprint Pro80 LVD has a 1-line, 20-extra-large character display

The Superprint Pro80 GOLD has a 2-line, 80-character display.
